**Cali (HTS Blackrock x Cracky Z)**

**£ 8,500**

### Description

Cali is a well put together bay rising 5yo mare by HTS Blackrock x Cracky Z. HTS Blackrock is an international showjumper winning at 1m40 level. She was broken in early spring 2021 and has been produced slowly and correctly with her future in mind. Cali is good to load, shoe, catch etc. Easy to do on the ground and is riding well for her age. She has done some training shows at 80/90cm, has been out cross country schooling and is ready now to be produced further. Cali is currently schooling nicely on the flat, she is a forward going mare but not sharp. She does not buck, rear or bolt but is still a young green horse so will require a more competent rider to continue her education. Hacks out alone and in company really nice natured in the stable, loves fuss and attention and is by no means 'marish' No vices.
