15.2hh 5YO Mare by A.Umonia

£ 10

Description

Sheila is a well bred, and nicely put together little horse that would make the ideal teenagers competition horse. Sire by A. Umonia 60, dam is traditionally irish bred King of Diamonds x Clover Hill, Sheila is a well related mare, with the talent to match. Sheila was imported from ireland beginning of this year, so far we have concentrated on her flat work, and is progressing nicely. She is a very trainable mare. Jumping around course's of 90cm with ease, and has done some cross country schooling proving to be very brave and accurate. Recently competed BS at Speetley jumping around a British novice on a ticket, now registered, and has a DC at BN. Loads and travels perfectly and is a saint on the ground at a show. Sheila would be well suited to a competition home, she truely has the heart of a lion and will jump everything put in front of her. Good to hack alone and in company Good to shoe, box clip etc. no vices, lumps bumps etc. Passed a 5 stage earlier this year with flying colours.

Additional Category: Eventers

Horse's name: Sheila's choice

Age: 5 yrs

Height: 15.2 hands

Breed: ISH
