Splash 14.2hrs 11yrs Gelding

£ 3,850

Description

Splash is currently being advertised on behalf of the owner, and is on Livery with Verdi's. He is for sale through no fault of his own, and will be sold to a permanent home only. Splash has been in a riding school with current owners for over a year, before this he had been in a driving home. Splash is a very nicely put together pony, with nice markings and with an attractive and pleasant movement. He has done a good few local shows, jumping around small courses and doing intro dressage tests. He hacks alone and in company and is good with the farrier, good to catch load, travel etc. Barefoot with good feet, lives off fresh air. He has been ridden by amateur riders, and is a happy go lucky sort just wanting to have fun. He would be an ideal mother daughter share, for low level competitions, showing, fun rides etc. No vices
