Description

We are super privileged to be able to offer Libertatem (Sulley) up for sale. Sulley is a traditionally Irish bred gelding with King of Diamonds lineage. Sulley has been a fabulous event horse in Ireland and has 18 EI points, he has competed at 2* level and has WON at EI110 level (Novice). He produces a nice dressage test, jumps with plenty of scope showjumping and has the heart of a lion around a cross country course. There's not much more you would want from an event horse! We imported Sulley beginning of February 2022, so far he has won the 100 class EMDG Eventer trial at Speetley, stormed around the BE100 at Lincoln horse trials and Norton Disney with no issues, and came 6th at the Blankney PC110 ODE. He has also jumped clear around Discovery and Newcomers on a ticket. Now registered BS. He is a total babe on the ground, still with plenty of character, he will happily throw his dinner bowl at you if you're late for breakfast! Guaranteed smiles with this horse! Good to shoe, box, clip etc. He will stand on the lorry on his own all day. He is a saint at a show. Hacks perfectly in company, will nap hacking alone at home, does not nap in any other circumstance. No Vices He also passed a full 5 stage vetting beginning of February. X Rays have been taken and he does have some wear and tear that do not prejudice him from doing his job, but have affected his price accordingly.
