**Tommy 15hh connie x**

**£ 4,000**

### Description

Tommy currently up for sale on behalf of a client. This is a very sad sale as rider completely outgrown. He is a mother's dream in every way! He is a saint on the ground, loves all the fuss and attention and is equally sweet and easy to ride. He doesn't need riding everyday, will never buck, rear or bolt. Lives in and out and is very easy to keep with excellent manners. Hacks perfectly alone and in company and is good in traffic, he has completed numerous fun rides, ambles and leisure rides. He has competed up to novice level dressage and will give so much more, he has a very trainable attitude and loves his work. He is good to shoe, box, load, clip etc. He is fantastic with children, and would happily be a mother daughter share. He had previously been eventing but now has a calcification in his fetlock joint which means his amount of work is limited. Hence low price. He would suit someone wanting to compete dressage, do fun rides and hack. This is an extremely sad sale, a 5\* home is paramount, where the current owners could stay in touch. no vices

**Additional Category:** Dressage

**Horse's name:** Tommy
