Killan Lady 16.2hh quiet 4yo

£9,250

Description

Daphne is a beautiful stamp of a horse, and will be sure to catch everyones attention. She is very quiet and laid back and would truly suit an array of disciplines. She is unspoilt and ready for someone to put their own stamp on. Daphne is by A. Umonia 60 who is by the infamous show jumper Indoctro, out of an irish mare by Glidawn Diamond. With the very best of Irish breeding with in her pedigree, clover Hill and King of diamonds. Making this young mare a very versatile, sought after type. Daphne was broken earlier this year, and is riding away now very sweetly. She is by far one of the most laid back 4yo's we have come across, she simply has the nicest nature. She is currently schooling nicely on the flat, and has competed in a couple of unaffiliated intro dressage tests with nice comments from the judges, and a super laid back attitude towards a competition environment. Daphne has a super little pop on her, and is currently jumping around small courses of fences with a smile on her face, jumping small fillers and planks and ready to go on. Hacks alone and in company, and loves seeing the world. she has seen heavy farm traffic. Daphne is an angel on the ground, not marish. good to load, shoe, catch etc, would easily be produced by teenager or amateur with tuition. No vices open to vet
