### Description

'If I had this pony when I was 13, I would of been the happiest kid alive' Chunk is a registered class 1 full Connemara pony that excels in everything she does. A real sought after type! Chunk has been to pony club camp, competed with PC teams, has done unaffiliated one day events, showjumped around courses of 90cm, completed pleasure rides, hunted with the Yorkshire farmers, and has the potential to BE. What more do you want? Chunk is not phased by fillers, planks etc and is a true jumping machine. Thrives around a cross country course and will jump everything you point her to. She would really excel BE. She would equally make a nice workers pony. Hacks perfectly alone and in company, and is good in traffic. Good to shoe, box, clip etc. lives in or out. Chunk is up for sale on behalf of a client, this is a heartbreaking sale, home priority. No Vices open to vet.
