Little Cruz 15hh well schooled Gelding

£ 8,500

Description

Cruz is a very smart little horse, who loves to be ridden, have fun and enjoy life. He is well bred, passported KWPN and is quite the talented little horse. Cruz moves well with plenty of presence and jumps with plenty of scope. He has successfully competed up to medium dressage UA, with scores in the high 60%-70%s. He has naturally elevated movement, and is very willing to show off in the boards. Established lateral work and changes. He enjoys his jumping and is happy to pop round a 90cm course, with no fuss about fillers, planks etc. He would really suit a teenager/small adult for all types of competition including eventing. Would also fit into 153cm SHP. Cruz enjoys his hacking, and is good with traffic. He is a forward going horse, but not silly or nasty, very straight forward non-quirky. Cruz is a lovely horse to handle and be around, he loves standing for a good groom or bath and enjoys a pamper. He is a mothers dream on the ground. Hacks well, good in traffic. Good to shoe, box, clip etc. No Vices open to vet.
