Description

Frog is currently for sale at Verdi's on behalf of his owner. This is a sad sale through absolutely no fault of his own, therefore his home is extremely important. Frog is a nicely bred sell Francais x Anglo Arab that has plenty of experience, a kind temperament and is a real pleasure to be around. Frog has three well balanced, floaty paces, he has a real presence in the dressage arena, and has had good scores up to medium level unaffiliated. He knows all his stuff, although is a little rusty due to current owners lack of enthusiasm for schooling. Frog has jumped up to BE Novice, and has had numerous top 10 placings, he absolutely loves his job and would happily teach anyone the ropes. He's straight and accurate cross country and is always looking for the flags of the next fence. Showjumping, Frog has jumped up to newcomers BS and has more recently been doing Discovery classes with a teen rider. He gives you a good feel over a fence and very rarely touches a pole. Frog hacks alone and in company, he is good in traffic, he has also completed numerous fun rides and pony club rallies, competitions etc. He is great to do at a show, loads on trailers and lorries and is happy to be there all day. Great manners and a pleasure to be around. Good to shoe, box, load clip etc. No Vices Open to vet.
