Description

Cruz has been the ultimate family horse for the past 5 years, He's showjumped with dad, done BD with Mum and has taught all the kids how to ride. He truly is one in a million. Cruz is by Carthano I Z (Contender x Carthago Z) Dam sire is Chatman, Meaning he is a very well related horse with siblings successfully jumping internationally. This horse screams quality and has a very sane and sensible attitude towards life. Cruz has jumped up to discovery and 1,10 unaffiliated with scope to go a lot further. He is never phased by fillers, water trays, planks etc, and always gives you a good feel over a fence. He would happily teach anyone the ropes. He has also done a fair amount of dressage up to Novice level, he has a very trainable attitude and works nicely on the flat with 3 balanced and elegant paces. He is the perfect horse to deal with at a show, and takes everything in his stride. nothing really phases this horse. Cruz is a saint on the ground and has regularly been handled by children. Hacks alone and in company, and is good with traffic. Good to shoe, box, clip etc. lives in or out. Cruz is up for sale on behalf of a client, who has owned this horse for 5 years, house move is forcing a heartbreaking sale. No Vices open to vet.
