**Stinning coloured Sligo Candy Boy 5YO Gelding**

£ 11,000 ONO

---

**Description**

Very talented and very attractive 16.2 5yrs coloured ISH gelding by Sligo Candy boy, dam sire Clonakilty Hero. His breeding screams jumping and this is something he can certainly do! He has plenty of heart and scope and would make a great Eventer or showjumper. He is good to do on the ground, easy to load, catch, shoe, clip etc and has a very sweet natured personality. He was imported from Ireland in July from a predominantly showjumping environment. He has jumped double clear around courses of 1m and has done a handful of british novice's on a ticket. His flatwork is coming on nicely, he has 3 very pleasing paces. He has done some cross country training, he is green in this area but very willing! Easily be ready for next season. Hacks alone and in company and has been cubbing/hunting with the belvoir and the Cranwell this season. Well behaved, well mannered and easy to do. Would easily be a teenagers horse. No vices
