### Description

Tommy is a very nicely bred horse with a modern positive mix of both Irish and European breeding, his pedigree includes Cavalier Royale, Acobat II and Silvano. He is a very handsome looking horse with good conformation and a willing attitude. Tommy has three exceptional paces. He works in a soft, uphill frame and is a pleasure to school. Tommy has all the attributes to have a prosperous dressage career. He has a sane and trainable brain and loves to please! He is currently working at prelim/novice level, and always excels himself. To jump, Tommy is straight and forward to a fence, with good breaks, he is currently comfortable jumping courses of 80cm. He certainly is not going to set the world a light jumping but will always give it a go. He would be an ideal quality allrounder to have fun on. We have hacked Tommy alone and in company and he was impeccably behaved. He has seen small amounts of farm and village traffic and was un-phased. Tommy needs a competent handler on the ground as he can be a bit cheeky and nippy! Good to shoe, catch, clip Open to vet. Tack available. £6500
