tinkers pearl (Bella)

£ 9,000

Description

A very rare opportunity to purchase a high quality and proven small event horse, a true been there, seen that, got the t shirt type! Bella is by the legendary KWPN jumping stallion Tinkers boy, She is a real trooper, absolutely loves going out to competitions, and will always try her very best! So far Bella's career has consisted of BS up to foxhunter level, BE up to 3* / Intermediate level and medium level dressage. Bella has a lovely attitude to her school work, on the flat she is obedient and accurate, and produces a fair test with solid scores and positive comments. She has good lateral work and has been working on medium level movements. Eventing she has rarely knocked poles showjumping, rides in a rhythm and is not overly strong. Out cross country Bella is always looking for the flags, stays straight on a line and is very much a cruise control ride, nothing phases this mare, she is happy to jump whatever is put in front of her. Bella is good to hack alone and in company, good in all sorts of traffic. Good to shoe, box, load, clip etc. a mothers dream on the ground at a show. Bella would be more than happy to take on a rider looking to gain experience, she is a schoolmaster. This sought of horse is unbelievably hard to find. She does need her coffin joints injecting every 6 months, next one due end of July hence price. £12,000 ono.

Additional Category: Broodmares

Horse's name: bella

Age: 15 yrs
