16.1hh 2017 Gelding by Britannia's Mail

£ 12,000

Description

JJ is a fabulous little horse with a very bright future ahead of him. He is well bred by Britannia's Mail, a stallion with a promising progeny of international eventers. His dam sire is KWPN dressage stallion Houston, who competed well at PSG/Inter 1. This breeding oozes quality and athleticism. And gives JJ the versatility needed for modern day eventing. JJ has had a steady start in life, produced with his future in mind, He has competed in a fair few unaffiliated competitions and is now ready to take the step up into the world of affiliated competition. On the flat, JJ has 3 uphill naturally balanced paces. he works in a correct outline and has competed well at prelim level. In his previous home, jumping was not on the riders agenda, so he does have low mileage jumping, however, he loves it! He is jumping around courses of 80/90cm with ease and scope. He is not phased by fillers and water trays. He has a fantastic technique and has the potential to be a serious horse for the future. JJ hacks well alone and in company. and has seen farm traffic. JJ is good to shoe, clip, catch, load travel etc. He is good to do on the ground and is very mannerly. He is a nice person in and out of the stable and always appreciates a treat. A genuine sort that is ready to pursue a good career.
