16.1hh 10yrs Gelding by EFS Top Contender

£ 13,500

Description

George is a well bred, well related talented horse who is looking for his perfect partner in crime! He is by 1.60m show jumper EFS Top Contender, his dam sire is Silvester who has a strong progeny of top level show jumpers and international eventers. George has an abundance of talent both on the flat and jumping. George has had a fun year here with us at Verdi's jumping. He has jumped up to and including 105 and Newcomers, with a fair record. He has never stopped and has only ever had the odd pole. He will easily go on. He will jump off any stride and is happy to help the rider out. He is always well behaved at a show, both on the ground and in the warm up. He has been to stay away shows and is a very reliable sort. George is not spooky, jumps all fillers and water trays and really loves a challenge. George has done some cross country and will happily jump anything put in front of him. He has all the correct attributes to be a very versatile horse, he would certainly event this coming season, with a touch more cross country schooling. George has 3 balanced, uphill paces, he works in a correct outline and has done a handful of dressage competitions with good marks on paces and fluidity. George hacks out alone and in company and has seen village and farm traffic. He is also good in open spaces and does not get hot up. He loads and travels well alone and in company and will load on to both lorries and trailers. George is good to clip, catch, load, shoe etc and has a real character. He has at some point had a bad handler so can be wary of you, he is not a malicious horse in any shape way of form. The best of homes is priority for this fabulous horse, and therefore his home is more important than his price. Open to vet. Tack available. videos on www.verdishorse.com
