Description

It's a Smooth Criminal, aka Henry. An outstanding looking horse by the famous stallion, Clinton. Dam sire is Fleurop. Henry is by far one of the easiest horses to deal with on the ground, he is good to catch, clip, load, shoe etc. A true people lover, who will happily be your best friend. On the flat Henry has 3 super elegant paces, scoring 70% + in novice tests, he's schooling elementary/medium at home and has a very willing trainable attitude. Showjumping, Henry has done a plenty of unaffiliated competitions up to 1m10 and has been jumping discovery/newcomers BS. He recently started eventing this year with a lot of promise to do extremely well in this sphere. He did come 4th at his 1st BE90 event, and recently came in the top 10 at Frickley BE100. He then went on to win the BE100 at Shelford. This horse will easily go BE novice and beyond. He is good to hack alone and in company, good in all traffic. Previously Henry had been in a long term hunting home in Cornwall, with the odd days showjumping or doing a local hunter trial. He is a big warmblood so is not for a novice or nervous rider, he will never buck, rear or bolt, he's not silly or strong, but he thrives off a confident and capable rider. The best of homes is paramount! open to vet. no vices
